## Why DART Sim

### Realistic Patient Monitoring

Simulate 37 cardiac rhythms, 18 capnography waveforms, x-rays, vitals, and more

### Hands-On Code Training

Run 35 preloaded scenarios (incl. 12 AHA core cases), create your own, and generate debrief-ready code reports with CodeTrack

### Fully Customizable

Change vitals on the fly, upload images and medications, and adjust alarms or treatment settings mid-scenario

### CPR & AED Feedback

Supports SimCPR watch for real-time chest compression feedback plus AED simulation

### No Recurring Fees

Option for lifetime access to updates—no monthly or yearly costs
